ADDITIONAL ROSES

NOT PREVIOUSLY LISTED

For complete collection see our General Catalogue.

NOVELTIES

DAVID DODD. A well-shaped bud of bright scarlet carried on long stems. Very similar to E. G. Hill. Standards, 2/6; Dwarfs, 2/- each.

GLORIA MUNDI (Poly.). A new Polyantha Rose of great merit. Color brilliant orange scarlet. Quite distinct from any other Polyantha. This rose has won five gold and numerous silver medals. Described by English horticultural papers as the best Polyantha ever raised. 2/6 each, 27/6 doz.

GOLDEN DAWN. A vigorous grower with flowers of rich sunflower yellow heavily flushed with deep old rose. Growth vigorous and branching, with clean, distinctive foliage. Standards, 2/6; Dwarfs, 2/- each.

KATHERINE COOK. A vigorous and bushy variety, producing light red blooms. Dwarfs, 2/6 each.

MADAME HENRI QUENILLE. Color salmon rose with yellow shading at base of petals, which open well. Growth vigorous and branching, with glossy green foliage. Dwarfs, 2/6 each.

MRS. SAM McGREDY. Inside of petals coppery apricot, outside lincoln red, changing to old gold and salmon when fully opened. Growth medium and branching. Dwarfs, 2/6 each.

PORTADOWN BEDDER. Outside of petals orange yellow, centre deep apricot, the color turning to golden yellow with pink-apricot edging as the flower opens. Dwarfs, 2/6 each.

SCHWABENLAND. A full rose of crimson carmine with lighter outer petals. Good show bloom. Dwarfs, 2/6 each.

TALISMAN. A very fine distinct rose, the color being shadings of scarlet, pink, copper, and gold, but the blooms are very variable in color. Vigorous growth. Dwarfs, 2/6 each.

W. E. CHAPLIN. Well-shaped blooms of carmine crimson. Good growth and foliage. Dwarfs, 2/6 each.

CLIMBING JOYCE FAIREY. A strong bush or pillar rose of vivid red. Splendid grower. 2/6 each.

FOR FULL DESCRIPTIVE LIST OF EVERYTHING FOR THE GARDEN AND ORCHARD SEE OUR GENERAL CATALOGUE.

DELPHINIUMS

We are the largest growers of Delphiniums in South Australia, and our plants are all clean and healthy. We have for disposal during July, August, and September several thousand strong one-year and two-year-old crowns at 3/6 and 7/6 per doz.

PERENNIAL LUPINS

These gorgeous perennials are becoming very popular, and are well worth growing. The varieties we offer are the same as those shown by the leading British and Continental exhibitors. Strong crowns.

Mixed colors, 7/6 per doz.
Separate colors, 10/- per doz.

PERENNIAL PHLOX

We have a splendid collection, including all the latest varieties of this beautiful perennial. Strong crowns, 7/6 per doz.

A SPLENDID NEW RASPBERRY

MRS. LLOYD GEORGE. Undoubtedly the best Raspberry yet introduced for either market or private gardens. We have tested and proved this variety, and can thoroughly recommend it. Strong canes, 1/6 each; 15/- doz. Special quotations for quantities.

ALMOND—JOHNSON'S PROLIFIC

A great acquisition. The tree is a good cropper, producing soft-shelled nuts of good size and quality. 2/- each; 18/- per doz.

FRUIT TREES

Our stock for this season of all kinds of Fruit Trees, Almonds, and Vines is especially fine, and comprises all the best varieties.

We can especially recommend the following Peaches, which have superseded the older varieties:—

Prizetaker. Late; white flesh.
Smith's. Medium; white flesh.
Wright's Early. Early; white flesh.

These varieties will give a good succession of fruit throughout the season. 2/- each.

CITRUS FRUITS

We have an especially fine lot for sale, the Washington Navels and Lisbon Lemons being particularly good. 4/- each. Special quotations for quantities.

ROCK AND FORMAL GARDENS

We are specialists in designing and constructing these types of gardens, and we shall be pleased to quote for all classes of garden designs or alterations.

We have by far the largest stock of Plants suitable for Rock Gardens in the Commonwealth, and those interested in this type of garden should inspect our stock before purchasing elsewhere.

We also supply Rockery Stone for those who prefer to build their own. Price on application.

AQUATICS

We are continually adding to our collection of Aquatics and Water Lilies, and can supply a large variety of plants for Fish Ponds, Aquariums, etc.

COLLECTION OF SHRUBS

We supply collections of Shrubs suitable for any locality at very moderate prices.

12 separate varieties 18/-
24 separate varieties 30/-

Larger collections, price on application.

AUTUMN FOLIAGE TREES AND SHRUBS

We have a splendid collection of gorgeous Autumn Foliage Trees and Shrubs, including Scarlet and Red Oaks, Liquidambers, Golden and Claret Ash, Berberis, Stellingia Rhus Poplars, etc. See General Catalogue for list and prices.

BERRIED SHRUBS

These Shrubs have increased greatly in popularity during the last few years. We have a splendid collection of all that are worth growing in the Hills or on the Plains. See our General Catalogue for list and prices.

WE SHALL BE PLEASED TO RECOMMEND VARIETIES OF TREES OR SHRUBS SUITABLE FOR ANY DISTRICT OR SITUATION.
